Gabi-all Pink games and White 1:00 and 4:00

*For U16, the Black team is mostly made up of players that will be attending Cal Cup. Other Cal Cup players will be rotated in at various tournaments so that they can play together for some of the tournaments and will often be grouped together on the Pink team. The Pink and White Teams are ranked similarly with players mixed in together so that teams are fairly equal. NOTE: If you were moved from a team that doesn't mean that you didn't play well. It allows others to have an opportunity to play with players going to Cal Cup and/or Festival.
